## CALL FOR PAPERS

BESC is a major international forum that brings together academic researchers and industry practitioners from artificial intelligence, computational social sciences, natural language processing, business and marketing, and behavioural and psychological sciences to present updated research efforts and progresses on foundational and emerging interdisciplinary topics of BESC, exchange new ideas and identify future research directions.

Topics of interest include, but are not limited to:

- o Social network analysis
- o Semantic web
- o Collective intelligence
- o Social recommendation
- o Social influence and social contagions
- o New theories, methods, and objectives in computational social science
- o Digital humanities
- o Crowd dynamics
- o Virtual communities
- o Decision analytics
- o Societal impacts of Information System
- o Web mining and its social interpretations
- o Sentiment Analysis, Stylistic Analysis, and Argument Mining
- o Opinion mining and social media analytics
- o Credibility of online content
- o Personalization for individuals, groups and populations
- o Privacy, perceived security and trust
- o Ethics of computational research on human behaviour

### Paper Submission

1. Paper submission system is available at: <https://easychair.org/conferences/?conf=besc2024>
2. All submissions should use IEEE two-column style. Paper review will be double-blind, and submissions not properly anonymized will be desk-rejected without review.
3. Page Limits: Research papers (8 pages), special session papers (6 pages) and Doctoral Symposium papers (6 pages).

### Publication:

Accepted papers will be submitted for inclusion into IEEE Xplore. Top quality papers will be selected for extension and publication in several special issues of international journals, e.g., World Wide Web Journal (Springer), Web Intelligence (IOS Press), and Social Network Analysis and Mining (Springer), Human-Centric Intelligent Systems (Springer), CCF Transactions on Pervasive Computing and Interaction (Springer), Information Discovery and Delivery (Emerald Publishing).

### Important Dates:

Submission of Research-track Papers	1 May 2024
Acceptance Notification	1 June 2024
Author Registration	18 June 2024
Camera-ready Submission	15 June 2024
Conference Date	16-18 August 2024
